

## Canyon Creek Showroom Appointment Guidelines

For the safety of all, we must advise that visitors will be required to abide by the strict safety precautions and procedures that we have set in place for our entire facility. The safety of our team and those we gladly serve continue to be our primary concern.

**Only one visitor party will be allowed in the showroom at one time. Please kindly limit your group to 4 or less. As we cannot guarantee the safety of curious children, we ask that visitors are adults only.**

### When you arrive:

- All visitors will be required to wear a mask at all times within our facility.
- Upon arrival, visitors will be asked to sign-in and their temperatures will be taken electronically. Consistent readings of an elevated temperature or anyone with a temperature of 100.5 or greater will be asked to kindly reschedule their visit.
- For the safety of our entire team, we ask that if you have any cold or flu symptoms that you kindly plan a visit after your symptoms have passed.
- Hand sanitizer will be available to you at check-in and within the showroom. Our public restrooms are also available for handwashing.

### During your visit:

- Please respect social distancing protocols, keeping a six-foot distance from our showroom staff whenever possible. They will be doing the same for you.
- All displays and samples are available to see. We ask that you only touch those elements that you are specifically interested in. Our team will be wiping down all surfaces throughout the day, especially those that may have been touched.

**You and our team's safety is our priority. We are excited to welcome customers back to our showroom, and are thankful for the opportunity to continue to serve you.**

**IMPORTANT NOTE: Canyon Creek does NOT design, quote or sell cabinetry direct to consumers.** Our factory showroom is here to provide consumers, designers and contractors an opportunity to see an expanded sample of our capabilities and assist with your decision making process. For assistance with design, quoting or to purchase Canyon Creek cabinets, please contact one of our dealer partners located nearest to you by visiting [Where To Buy at CanyonCreek.com](http://WhereToBuyatCanyonCreek.com).
