CANYON CREEK
Cabinet Company

Showroom Appointment Guidelines

We are delighted to have you visit our factory showroom in Monroe, Washington. Prior to your visit, we encourage you to visit our Where To Buy page and find a local dealer you wish to work with. This will help better inform your visit and prepare you to make all your necessary selections to complete your design.

APPOINTMENTS

APPOINTMENT REQUIRED

Appointments are available Monday through Friday in one hour time slots. As we cannot guarantee the safety of curious children, we ask that visitors are adults only.

While we all love pets, only trained service animals are permitted in the showroom.

WHEN YOU ARRIVE

- Upon arrival, all visitors will be asked to sign in and indicate the name of your Canyon Creek dealer, designer or the contractor you are working with.
- Hand sanitizer will be available to you at check in and within the showrooms. Our public restrooms are also available for handwashing.

If you have any cold or flu symptoms, please reschedule your appointment for after your symptoms have passed.

DURING YOUR VISIT

All displays and samples are available to see. We have limited species and finish samples available for you to take home and share with your designer or assist in coordinating additional finishes for your project. Door samples can be ordered through your dealer.

IMPORTANT NOTE

Canyon Creek does NOT design, quote or sell cabinetry direct to consumers. Our factory showroom is here to provide consumers, designers and contractors an opportunity to see an expanded sample of our capabilities and assist with your decision making process.

For assistance with design, quoting or to purchase Canyon Creek cabinets, please contact one of our dealer partners located nearest to you by visiting Where To Buy at CanyonCreek.com.
